Dear Felipe

I did promise when I left Seville that I would write to formally thank you for a wonderful meeting last October. I am sorry it has taken me so long to put pen to paper, but life has been hectic with many meetings and then Christmas.

I have never before worked at a hotel where so much effort has been put in by all the staff to ensure that a meeting runs efficiently and smoothly. This was done by you and your team to perfection and, as you know, this culminated in everyone (both the Client and their guests) wanting to return to the Casa de Carmona.

Please give my best wishes to everybody at the Casa de Carmona and thank them most sincerely for a job well done. I do hope that we will have an opportunity to work together again in the future.

Kind regards

Janet Mundell
